

Technical information

MOBIHEL HYDRO Degreaser

Characteristics:

Water-based cleaner.

Use:

It is used for the cleaning of sheet metal before the start of painting with the system **MOBIHEL HYDRO** and for the cleaning of guns.

Instructions for use:

Apply **MOBIHEL HYDRO Degreaser** to a surface with a clean cloth, which leaves no threads or with a paper towel. Afterwards wipe the surface dry with a dry cloth or paper towel. Before further work, cleaned surfaces should be thoroughly dried.
